## Riding Centre Facilities

Our centre has recently been refurbished to a high standard and has a total of 7 loose boxes that can also be converted to stalls. There is a large Floodlit Outdoor Menage as well as a small fully enclosed Arena and a Round Pen and we have easy access to excellent off road trekking and riding. The Hayloft is a perfect area for teaching, socialising and getting warm on a chilly day with comfortable seating, a tea or coffee and free Wi-Fi Internet access available to all clients. We have our Tack Shop and Tuck Shop for those looking for something to buy or looking for something to eat. Downstairs we have our office and a disabled toilet and changing facility. The actual yard is inside and covered and is therefore ideal for teaching stable management or other activities that would normally be done outside.

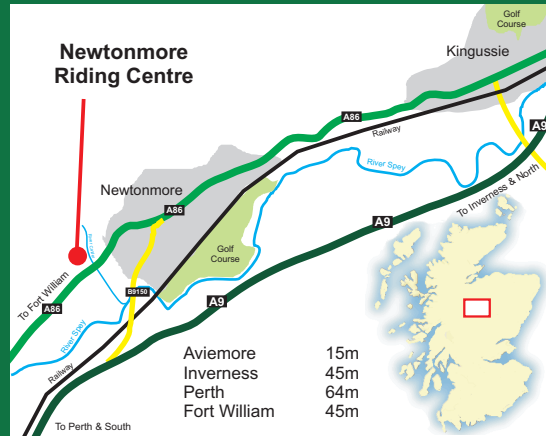

## History & Heritage Centre

Our family is the oldest breeder of Highland Ponies in Scotland as well as being credited with being the Originators of Pony Trekking Holidays. The Ormiston Highland's Breeding Stud has been in existence for over 150 years in Badenoch. We have been running Riding and Trekking Holidays in Newtonmore since 1952, so we really know how to make you most welcome. At the centre we have a Highland Pony Heritage Display dedicated to our family's involvement with the breed over the last Century and more. We are listed on the BHS Horses Welcome site.

## Finding Us: Directions & Map

The centre is located just outside the village of Newtonmore on the A86 Fort William Road travelling west. Leave Newtonmore and we are first on the right 300m after the 30mph limit sign just after you have crossed the bridge over the River Calder. The Riding Centre is the new green building attached to the traditional white stone built farm steading that you can see to the right as you travel up the drive to Biallid Farm. The car park is well signposted from the main road.

## Some Information about our Centre and Price List

Come to the Scottish Highlands to the village of Newtonmore for a Riding Holiday. Our rides, lessons and holidays will appeal to those who want to spend more time around horses and ponies and gain experience from helping out at a busy riding centre. We are a fully approved centre and have excellent staff ready to make you welcome, so you feel part of the team from the minute you arrive; just make yourself at home.

Newtonmore Riding Centre is located within the Cairngorm National Park and the scenery and wildlife will astound most visitors. We have direct access to wild country only 100m from the centre with Wild Goats and Red and Roe Deer right on our doorstep. We have rides that are suitable from absolute beginners to those wishing to do Trail Rides in true Rough Highland Country.

Children are welcome at our centre from any age and Shetland Pony rides are available for our youngest clients. We also run a weekly Pony and Saddle Club for children on Saturday and Sunday mornings. Children over the age of 12 who are competent can ride out with us and even younger children can go out on lead rein. Lessons in the riding school are suitable for all ages. We have Horse and Carriage rides for those not confident enough to ride themselves.

We have helped make a number of movies including Rob Roy, Highlander, Missionary and Monarch of the Glen.
